Short overview statement

The materials below were developed to help the public understand current air pollution issues and what is being done to improve air quality throughout the region. They were developed as a collaborative approach to by various state Public Outreach and LADCO staff.

States in LADCO/Midwest RPO

[Picture map of WI, MI, IL, IN, AND OH]

Fact sheets and Handouts

LADCO/RPO Newsletters [Haze, PM and Ozone]

BOX WITH DATES OF NEWSLETTERS HERE

(Also, add an index of past newsletters, so viewers can hunt for specific info from within various issues.)

Presentations

Slide show include pictures photos of neat slides
