Are others being updated ????

Reporting Requirements Form

- Grant required course director reports
- Revised form to reduce workload
- Submission to EPA as per Grant requirement

Media Selection & Analysis Tool

- Purpose: evaluate strengths, weaknesses and costs of training delivery methods
- Status: Completed
- Cost: 35K

Satellite Program: 2007

- Satellite Seminars:
- PM NAAQS,
- Dry Cleaning Rule,
- Woodstoves Clean Burn,
- AQ Tools Ozone & Beyond,
- PM 2.5 Implementation

Web Conferencing 2007

- NACAA Conference Call
- RBLC Training
- Risk Technology & Review
- PM 2.5 Rule Implementation Conference
- AirNow submittal system
- Air Quality Awareness: New Tools for Communicating AQ info to the Public
- Working Effectively with Tribal Governments
- Performance Track seminar on Flexible Air Permitting Rule

Web Conferencing 2008

- National Emissions Inventory System

Webcasts 2007 & Training Tools

- Webcasts:
- NSR Tribal Rule
- 2007 Area Source Update

- Tools:
- Meteorological Calibrations
- Dry Clean Wand Demo.

Welcome comments on usefulness ??????

Satellite Program: 2008

- Ozone NAAQS/AQI
- Climate & Air Quality

Webcasts & Video Tools 2008

- Autobody Rule
- Autobody Best Practices
- NCORE-Multi-Pollutant Ambient Monitoring
- Air Toxics Now
- Ben Map (Tool Kit)
- Agriculture Issues
- Air Toxics Now
- New Lead Rule
- Ozone Implementation

Budget

- 2007: \$625,000 and 1FTE
- 2008: \$250,000 and 1FTE

Breakdown of Resources

Description	2007	2008
APTI Course management	70K	0
Updating Courses	140K+ 30K	115k
Training on significant new rules and policies	365	115k
Provide Web access/training	20K	20K
Evaluation of training delivery methods	35k using '06 \$
