

National Air Compliance Training Program

NACT 246

Aggregate, Hot Mix Asphalt, & Concrete Batching Operations

Tentative Online Agenda

Day 1

Aggregate Plants

8:30	Introduction
8:45	History
9:00	Health Effects
9:30	Break
9:40	Industry Overview
10:00	Process Equipment
10:30	Break
10:40	Process Equipment (Continued)
11:30	Lunch
12:30	Emission Control Methods
1:00	Inspection Techniques
1:30	Break

Concrete Batch Plants

1:40	History
2:00	The Concrete Process
2:15	Industry Description
2:30	Break
2:40	Industry Description (Continued)
3:00	Inspection Procedures
3:30	Adjourn

Day 2

Concrete Batch Plants (Continued)

8:30 Engineering Evaluation
9:30 Break

Hot Mix Asphalt Plants

9:40 Emissions and Health Effects
10:30 Break
10:40 The Process
11:30 Lunch
12:30 Emission Control Methods
1:30 Break
1:40 Inspection Procedures
2:30 Review
2:45 Adjourn
